

— North Pole Academy —

Dear Boys and Girls,

The Dash Crew is very sad. While on their route, they lost their medallions in the snow.

Please look for the medallions. If you find one, place it with Santa's cookies. Santa will bring it back to us at the North Pole.

Thank you for helping the Dash Crew.

Love

Neva ♥

P.S. We are all so proud of you for making it to the Top of the Nice List :)
