

North Pole Academy

Dear Sam,

You made it to the Top of the Nice List!

We heard how patiently you helped your little sister build her tower—even when it toppled over! We also heard how much you practiced riding your bicycle. You kept trying, and we are so proud of you.

Your kindness was noticed all the way at North Pole Academy.

We worked together to make a Christmas Eve surprise especially for you. There is just one little mystery: where is it hiding?

Follow the clue in your envelope to find out!

With love,
The Dream Team

Keenan
